We welcome **Rev. John Campbell** to the pulpit today. As Director of Development at the Acadia Divinity College, John oversees a wide range of fundraising activities and programs to raise support required for both the immediate and long terms need of students and the school.

He is also the Director of Technology for Education and leads the faculty and staff in effectively using technology in and out of the classroom. He is passionate about using technology not only in educational settings but also in the local church's ministry.

Ordained in 2008, John has served in pastoral ministry for over ten years, including as the Youth and Young Adult Pastor of The Crossing Church (formally West End Baptist Church) in St. John's, Newfoundland.

There will be no classes during the summer.

There are activity packs at the back of the church for the children to use. If your children get restless in the pews, you are welcome to use the parlour or the nursery downstairs.

Have a great summer!
